SUMMARY

Enthusiastic M.Tech student in Computer Science and Engineering at Sri Krishna College of Engineering and Technology, specializing in cutting-edge technologies. Proven proficiency in data structures, exceptional problem-solving skills, and hands-on experience with Core Java. Successfully executed dynamic projects in both JavaScript and Java, showcasing my ability to create scalable and efficient solutions. A dedicated learner with a passion for staying abreast of the latest industry trends. Eager to leverage my skills and contribute as a software engineering intern at Accenture in a collaborative and innovative environment.
